
Beyond – Song Lyrics

11. Don't Know Why

I don't know what to do
I don't know where
I'm running to now
Don't know what to say
Don't know how to
find the words today

I don't know where to start
It seemed okay,
But now my world has blown apart
I don't know how
I don't know why
I don't know what to do
Or what to try
I don't know why

I don't know what to do
I lived my life to follow you, I
Thought I knew my way
I felt so sure
That things would be okay

I trusted in my heart
I thought I had a reason
not to fall apart
I thought I knew
What I should do
I thought I heard your voice
Within my heart
I thought I knew.

I don't know what to do
I don't know how to carry on
The vision in my heart
Has turned to dust
And now it's gone

don't know what to do
I don't know how to carry on
I thought I knew
What I should do
But now I find
That all my dreams
Have gone
I just have you.
