1. Bigger than our fears,
Wiser than the years;
Come into the presence of the Lord.
All are welcome in
There to dwell with Him;
Enter now the presence of the Lord.

*Just as I am, I come.
Just as I am, I come.*

2. His arms are open wide,
Love within His eyes.
Come into the presence of the Lord.
Love so pure and true
Calling out to you;
Enter now the presence of the Lord.

*Just as I am, I come.
Just as I am, I come.*

God of Love,
Perfect Love.
Just as I am, I come.

*Just as I am, I come.
Just as I am, I come.*
