

Bigger than our fears,
Wiser than the years;
Come into the presence
of the Lord.

All are welcome in
There to dwell with Him;
Enter now the presence
of the Lord.

Just as I am, I come.

Just as I am, I come.

His arms are open wide,
Love within His eyes.
Come into the presence
of the Lord.

Love so pure and true
Calling out to you;

Enter now the presence
of the Lord.

Just as I am, I come.

Just as I am, I come.

God of Love,
Perfect Love.

Just as I am, I come.

Just as I am, I come.

Just as I am, I come.
