

1. Those who wait  
Will renew their strength  
Rising with wings  
On Your love  
Soaring like eagles.  
Lord, Your love  
Will have no end,  
And we will worship  
Your name for ever and ever.

*For You are God everlasting,  
Lord over all.  
Creator of heaven and earth,  
At Your feet Lord we fall.  
Who can compare with Your  
power, mercy and love?  
Flying free in Your grace,  
We're transformed  
by Your love.*

2. Those who fall,  
Who are tired and weak  
Will be renewed by  
Your love –  
Shall run and not weary.  
Lord Your power  
Will renew my strength  
And I will soar in Your love  
for ever and ever.

*For You are God everlasting,  
Lord over all.  
Creator of heaven and earth,  
At Your feet Lord we fall.  
Who can compare with Your  
power, mercy and love?  
Flying free in Your grace,  
We're transformed  
by Your love,*
