

1. Simply to worship  
To stay by Your side.  
Close in Your presence  
In You I would hide.  
Here in Your loving arms  
My heart can find  
True peace.  
Captured by freedom  
Like a restless bird  
released.

*Kneeling by Your side  
Reaching out in worship  
All I want to know is You,  
Jesus.*

2. All my desires

The things I would do,  
Fade Like the flowers  
Are gone like the dew.  
Only within You will  
Can striving know  
release.

Anger and sorrow  
Give way to perfect  
peace.

*Kneeling by Your side  
Reaching out in worship  
All I want to know is You,  
Jesus.*
